**Subject: QuickLogic Product Discontinuation Notification for Products  
Packaged in PLCC 68 pin and 84 pin packages.  
Tracking Number: PCN / EOL 072002  
Major Change: Class 1**

Dear Customer,

End of Life announcements are never an easy message to convey, but we want you to understand the motivations for this action. Support for the PLCC type packages is diminishing in the industry as newer technologies become more attractive. As a result, the outlook to obtain long-term commitments for PLCC assembly support from our supplier is questionable. We are thus moving to announce end-of-life and the last-time-buy on these packages while we can provide support for them. We will continue to offer these same products in different package formats, such as the TQFP or BGA type packaging.

The key dates are:

Please see Attachment A for a complete list of all part numbers, last dates to place end of life orders and take delivery of these products.

Every effort should be made to place your last time buy orders in a timely manner as product may have limited availability. Orders will be supported on a first-come first-served basis. Placing orders is not a guarantee of delivery, and priority will be given to the earliest orders.

- QuickLogic reserves the right to refuse orders if supply constraints prevent us from fulfilling the orders. All orders for these products will be non-cancelable and non-returnable.
- QuickLogic also reserves the right to increase pricing on new orders as lower overall production volumes lead to increased costs. Orders placed earlier will receive the most favorable pricing.

For information on replacement devices please contact your local QuickLogic FAE or QuickLogic's technical support at [www.quicklogic.com/support](http://www.quicklogic.com/support).

Thank you for your attention to this matter. No response to this notification is required. Should you have any questions, please do not hesitate to contact your QuickLogic representative or distributor.

Your continued interest in QuickLogic is greatly appreciated

Sincerely,
