QL4016-1CF100M /883C		
QL4016-2CF100M /883C		

The intent of this letter is to inform you of QuickLogic's decision to permanently discontinue the manufacture of QuickLogic QuickRAM and QuickPCI devices in ceramic packages. This discontinuation affects all ceramic package options and speed grades. All plastic packages will continue to be manufactured. See Attachment A for a complete list of all part numbers.

Commencing with the date in this letter, your company has three (3) months during which time you may place end of life orders for these products, and three additional months to take delivery.

The key dates are:

Last date for placing orders: August 15, 2007

Last date for shipping orders: November 15, 2007

Every effort should be made to place your last time buy orders in a timely manner as product may have limited availability. Orders will be supported on a first-come first-served basis. Placing orders is not a guarantee of delivery, and priority will be given to the earliest orders.

- QuickLogic reserves the right to refuse orders if supply constraints prevent us from fulfilling the orders. All orders for these products will be non-cancelable and non-returnable.
- QuickLogic also reserves the right to increase pricing on new orders as lower overall production volumes lead to increased costs. Orders placed earlier will receive the most favorable pricing.

For information on replacement devices please contact your local QuickLogic FAE or QuickLogic's technical support at www.quicklogic.com/support.

QuickLogic Corporation
1277 Orleans Drive
