**Subject: QuickLogic Product Discontinuation Notification for Products  
QL901M & QL902M, all Packages.**

**Tracking Number: PCN / EOL 074001**  
**Major Change: Class 1**

Dear Customer,

End of Life announcements are never an easy message to convey, however in the course of evaluating product demand and roadmap, it is necessary to make difficult decisions to discontinue manufacturing on older product or package offerings. We are thus moving to announce end-of-life and the last-time-buy on the QL901M & QL902M devices in all packages.

Please see Attachment A for a complete list of all part numbers, last dates to place end of life orders and take delivery of these products.

All orders must be placed by December 31<sup>st</sup>, 2007. All orders should be placed as "NCNR" non-cancellable non-returnable with delivery stipulated ASAP, but no later than March 31, 2008.

QuickLogic reserves the right to refuse orders if supply constraints prevent us from fulfilling the orders.

QuickLogic also reserves the right to increase pricing on new orders as lower overall production volumes lead to increased costs. Orders placed earlier will receive the most favorable pricing.

Thank you for your attention to this matter. No response to this notification is required. Should you have any questions, please do not hesitate to contact your QuickLogic representative or distributor.

Your continued interest in QuickLogic is greatly appreciated

Sincerely,

QuickLogic Corporation
