Subject: QuickLogic Product Discontinuation Notification for Products
ECLIPSE and ECLIPSE PLUS FPGA FAMILY all Packages.
Amendment: Adding QL5632 and QL5732 devices

Tracking Number: PCN / EOL 095101

Dear Customer,

End of Life announcements are never an easy message to convey, however in the course of evaluating our product demand and roadmap, it is necessary to make difficult decisions to discontinue manufacturing on older product or package offerings. Therefore, we are announcing the end-of-life and the last time buy on the ECLIPSE and ECLIPSE PLUS FPGA devices in all packages.

Please see Attachment A for a complete list of all part numbers, last dates to place end of life orders and take delivery of these products.

All orders must be placed by December 30th, 2010. All orders should be placed as "NCNR" non-cancelable non-returnable with delivery stipulated ASAP, but no later than June 30th, 2011.

QuickLogic reserves the right to refuse orders if supply constraints prevent us from fulfilling the orders.

QuickLogic also reserves the right to increase pricing on new orders as lower overall production volumes lead to increased costs. Orders placed earlier will receive the most favorable pricing.

Thank you for your attention to this matter. No response to this notification is required. Should you have any questions, please do not hesitate to contact your QuickLogic representative or distributor.

Your continued interest in QuickLogic is greatly appreciated

Sincerely,

QuickLogic Corporation
1277 Orleans Drive,
Sunnyvale, CA 94089
