**Subject: QuickLogic Product Discontinuation Notification for 5V tolerant PCI- Products**  
**Tracking Number: PCN / EOL 072302**  
**Major Change: Class 1**

Dear Customer,

End of Life announcements are never an easy message to convey, however in the course of evaluating product demand and roadmap, it is necessary to make difficult decisions to discontinue manufacturing on older product or package offerings. We are thus announcing the end-of-life and the last-time-buy on all 5V tolerant PCI products.

Please see Attachment A for a complete list of all part numbers, last dates to place end of life orders and take delivery of these products.

Every effort should be made to place your last time buy orders in a timely manner as product may have limited availability. Orders will be supported on a first-come first-served basis. Placing orders is not a guarantee of delivery, and priority will be given to the earliest orders.

- QuickLogic reserves the right to refuse orders if supply constraints prevent us from fulfilling the orders. All orders for these products will be non-cancelable and non-returnable.
- QuickLogic also reserves the right to increase pricing on new orders as lower overall production volumes lead to increased costs. Orders placed earlier will receive the most favorable pricing.

For information on replacement devices please contact your local QuickLogic FAE or QuickLogic's technical support at [www.quicklogic.com/support](http://www.quicklogic.com/support).

Thank you for your attention to this matter. No response to this notification is required. Should you have any questions, please do not hesitate to contact your QuickLogic representative or distributor.

Your continued interest in QuickLogic is greatly appreciated

Sincerely,

QuickLogic Corporation
